

**REMINDER
FRIDAY 20TH
IS AN INSET DAY**

**REMINDER:
THE ACADEMY REOPENS
ON MONDAY 30TH
OCTOBER**

MESSAGE FROM MR MELLEN

Thank to all staff, students and parents for your hard work and support this half term. It has been great to see most students making excellent progress across the curriculum and the great opportunities that many of you have had through clubs, trips and other experiences. We finish today (Thursday) at 3.05 for all students and return on Monday 30th October at 8.40 a.m. I wish you all a peaceful and restful half term break and look forward to seeing everyone back here in a week or so. Next half term there is loads to look forward to including Christmas performances, more trips and visits and much much more.

Year 7 reunite with their primary school teachers and pupils.

What animal would you choose to represent your school and why? This is the question we asked pupils from Cedar Mount, Stanley Grove and Rushbrook when they visited Manchester Museum back in September. On Monday pupils gathered back at Cedar and made clay pots inspired by the Natural History collection on display at the Museum.

The 'School Identity' project encouraged pupils from Y7 and the primary schools to discuss the animal which best described their school and why. It was amazing to hear the passion from each school, 'Were brave, amazing and natural leaders' - Lion CMA, 'We work as a team are fierce and confident - Penguin SG', 'We're loyal, protective and love our families' - Dog RB.

Once the pots have been painted they will be on display in each school after the October half term break. We can't wait to see them!

It was a very fun day, I loved seeing my old teachers and school friends from primary school

I've loved visiting Cedar Mount today, Do you do things like this all the time?

We've had the best fun ever! Can we come here again.

Diane Modahle Sports Foundation

Last week Diane and Bex invited Henman Communications to Cedar Mount to observe a training session. We're super lucky to have Bex as our coach, she certainly pushes pupils to be the best they can be and doesn't let you get away with NOT living up to what you're capable of. She is not someone who just say nice things to you, she will push you all the way. Best of all she believes in our students and inspires them. There are plans to extend our partnership with DMSF in the near future so keep an eye on the website and our social media pages. In the meantime if you fancy a taster session please visit the sports hub she runs on Friday evening between 4:30 - 8:00 pm.
