

Snow.....

Message from Mr Mellen

After the excitement of the snow last week, it was back to normal days and exciting opportunities this week. Well done to all staff who got in through difficult journeys from the hills to support students. Well done to all students for keeping safe. We only have 3 more weeks until the Easter break and there is plenty of work still to do for all students and staff. Well done to our basketball team for a victory in their very first match against Oasis Academy. Year 11 have got regular Saturday sessions each week so please keep an eye on your timetables and watch out for reminder texts. Our attendance challenge is ongoing so make sure you are here every day on time to qualify to win prizes!

Snow glorious snow

It took its time to arrive but the 'Beast from the East' eventually bared its teeth and roared into Manchester. Whilst most schools closed for the week Cedar battled the monster before admitting early defeat on Thursday morning. It's not an easy decision to make when closing a school so as pupils slept we were asking ourselves 'Is the site safe? Are the roads safe? Can staff arrive on time? Is public transport and the school bus running? As all the answers pointed to 'NO' it made sense to close and ensure no-one ventured too far in the cold weather.

A big thanks to #teamcedar ie Miss Barber who skidded all the way home to make sure messages were sent to staff, Mr Gibson who made his way to school to text parents, Mr Walsh, Mr Gorman & Mr Wilson for gritting and making the site safe, Miss Hollywood for uploading messages on social media and finally Miss Rawlins for contacting local radio stations and reporting the school was closed.

GOTCHA!
Miss Bennett being
'snowballed'. She was only
on her way to class.

HELP!!!!!!!...TIME FOR ME TO GET OUT OF HERE..
