HAVE AN AMAZING SUMMER!

Message from Mr Mellen

It is the last day of the academic year – well done for surviving ! I am immensely proud of all that the school has achieved this year – we are City and Regional Champions in a whole range of sports, we were ranked Number 1 in the UK for debating, we won the regional robotics competition and represented the school brilliantly in a variety of dramatic and musical performances. There were residential trips to Ghyll Head (4 trips), Paris, The Peace Centre and more as well as all the day trips run by various departments and our end of year trips to Blackpool and Alton Towers. I am pleased that we have seen generally much better behaviour this year and I expect that improvement to continue into next year. Please ensure that you and your families read the seperate letter being sent out today from me and Bright Futures Educational Trust. Have a great Summer and see you in September!

Summer Fun

Prom 18 – The end of one journey the beginning of another...

Sharp suits, sequinned dresses, big hair and even bigger eyebrows! In a fitting finale to their five years at Cedar, the class of 2018 let their hair down and enjoyed the surroundings at Denton Golf Club last Friday. In typical fashion what started off as one of the hottest days of the year ended with the heavens opening but it didn't dampen anyone's spirits, this special night was about dressing to impress and a chance for Y11 and staff to bid each other a fond farewell. Umpteen photos later everyone tucked into a 'proper posh' buffet and spent the rest of the evening dancing the night away before their Prom King & Queen were announced. Well done to Raheem and Sheleigh we couldn't be happier for you both. We say it every year but prom wouldn't happen without support from our amazing staff so here goes:

Mr Kedian – Who came into school early and worked late most evenings to make the beautiful CMA letters which lit up the dance floor, Miss Gill & Miss Wyatt – both threw everything they had (and more) to make sure the night ran smooth and finally Miss Jones for taking the photographs on the evening. We wish students a fantastic summer and look forward to seeing lots of happy faces on results day in August.

Sports Presentation Evenings

On Tuesday evening the PE Department celebrated their annual Sports Presentation Evening, students from Year 7 – 10 who have represented Cedar during the last year attended with their families & friends. With a high level of commitment from staff, students, Sports Leaders, DMSF & Wicketz, Cedar has flourished this year and with so many talented sports people at Cedar, it was a great way to celebrate the achievements of so many of them. In particular, successes on the track and cricket have excelled in 2017/18 and students couldn't have hit these dizzy heights without Bex from DMSF and Howard from the Wicketz programme, both partnerships have enhanced the brilliant work by staff in the PE department.

Well done to all of the winners, and thank you to the entire PE department for all their extra help, effort and time. After all, there would be no clubs, fixtures or a Presentation Evening without them! Thank you to all the parents that attended and for all your help and support. We hope you all enjoyed the night.

Mollie & Sahara interviewed on the Breakfast Show.....

Pupils from Y10, Mia, Mollie, Sahara, Blumartha, Sacha, Helen & Elena appeared on BBC Radio Manchester this week to discuss a project they have been working on alongside DMSF. BBC Radio Manchester have featured a series of broadcasts this year, 'The Suffragette City Project'.

Since April our girls have been armed with recording equipment and been out & about in the community interviewing women about their role in society 100 years after the vote. Mollie and Sahara were invited onto the show to discuss gender equality and what it's like to grow up as a young female teenager in Manchester. Well done Mollie and Sahara, both came across as confident young women and handled the pressure of a live broadcast. a big thanks to Diane & Bex for involving us in this exciting project.

Keep an eye on our Facebook page for a copy of the recording.

Important information about school meals

Cedar Mount Academy are moving to cashless catering, effective 28th August 2018. Parents/carers who pay for their child/children's lunches, snacks, drinks, trips and other academy purchases will need to pay online using Parent Pay. Letters containing further information and account activation codes have been sent to all parents/carers/staff.
